**RALLY, RALLY, RALLY, IT's TIME
(GET THOSE REGISTRATIONS IN)**

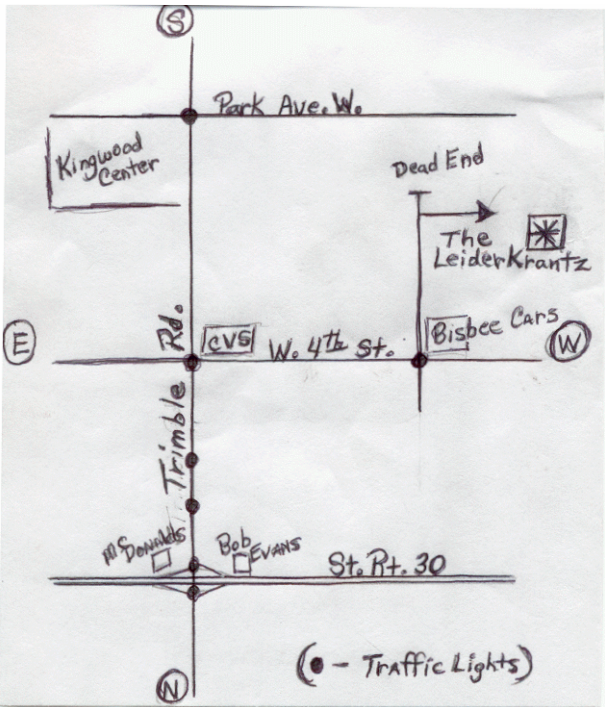

Before we talk about rallies **Kathy and I** would like to thank all **our chapter members and visiting chapters** for the great support of our annual fund raiser auction. We had a very successful auction which cannot happen without you..

Now, back to the Rallies, by the time you receive this the Indiana District Rally will be in the books. But Indiana is only the beginning; we have the following:

- **Buckeye Rally in Marietta starting June 13th.**
- **Wing Ding in Greenville SC over the 4th of July**
- **Michigan Rally on July 18th & 19th.**
- **Region D Rally which is in Tiffin, OH this year on Aug. 21st thru the 23rd.**

During all the rallies we also have many other chapter functions and rides planned throughout the summer:

- The first being the **Relay for Life light parade** at Malabar Junior high the evening on **June 21st**
- Followed by the **Ontario 4th of July Parade** on **June 28th.**

**MAP TO CHAPTER "B" MEETING
WEBSITE...w.w.w.gwrraohb.org**

- Plus we don't want to forget our **twice monthly Dinner Rides with the next one being on Wed. June 11th at the Lake Front Grill at the entrance to Apple Valley followed by G & R Bologna in Waldo on June 26th.**

So, with all these activities coming up, mark up your calendars and send in your rally registrations and be ready to ride.

CLEVELAND TEDDY BEAR RIDE – SUNDAY , JUNE 1ST - 14 bikes, from Chapter B, rode up to the IX Center for the annual Teddy bear ride today, Sunday the 1st. . The

police estimated approximately **10,000 bikes** that rode through the “pass” into the hospital parking lots. There we got off walked through the corridor and dropped off Toys and bears by the thousands. Doctors, Nurses, and many volunteers clapped as we walked through... Here were these nice Doctors all lined up to shake our hand with a thank you and we, in turn, thanked them for all they do for the kids.

Dan and Phyllis Kerr attached a link on our Web Site – www.gwrraohb.org - so everyone can view the Cleveland Teddy Bear Ride. Go to our Web Site and click on – enjoy.

We all stood and watched as the rest of the bikes came in, as we were more towards the front of the group. We lucked out there. It took 1Hr. and 12 min. for all of the bikes to come through, bikes of every make and model, loud and quiet. **Really an awesome sight.** This was **Joe and Jackie's Woodmansee's , Tim and Robin Winbigler, Eric Steinhilber's** first Cleveland Teddy Bear ride and they could not get over the response and enjoyed every minute of it. Even after going several years, when you see that many bikes line up for a cause of any kind, is a truly amazing experience. We all lined up, got a free snack, rested and headed to Michelle's in La Grange for a great lunch...When we left the restaurant the waitress told Don, “she just loved waiting on all of us as we were the best group of people she had ever served and just loved us.” How true, How true. You guys are the greatest and Don and I enjoyed being with the group today! Good people, good weather,

good food and a great ride. What more can a person wish for... **Big Hugs to you all, Kathy and Don.**

**See you Soon

RIDE COORDINATORS LARRY & DEBBE

Thank you to everyone who attended our first ride to the Ohio Caverns in West Liberty. We had 17 bikes and 28 people including 6 from Chapter V. It's always nice to have them along as they are such a great group of people. The weather turned out great and we were able to have a picnic lunch under the pavilion before touring the caverns. A stop to eat at the Edison Depot Restaurant for really good food completed the day. The next ride will be on **July 13 to Jolly Rogers and the Lake Erie area.** We will leave from McDonald's in Galion at 10:00 a.m. We are still working on the ride along the Maumee River scheduled for July 19 and will have more details later.

Picture below shows the caverns while we were there.

“Has our new ACD gone over to the “dark side”? Larry sitting in the driver’s seat of his son’s (Eric) Harley.” We do wonder about some of our members. Look at the grin on Deb’s face!!!

Not only are fines doubled in the construction zones, but there are many different hazards that could rear their ugly head. The best thing to do is slow down, observe the speed limit signs, increase your following distance, and watch your lane position.

One of the biggest reasons to slow down and increase your following distance is the possibility of construction debris being kicked up by the vehicle in front of you. If you are following too closely you won’t have time to react as you should. You need to give yourself time to react too if there should be a sudden change in the road surface. They may have steel plates covering holes they have dug. There could be a sudden change to a milled surface if they are getting ready to pave. My all-time favorite is riding along on pavement and the next thing you know you are on dirt or gravel. That can really cause a major pucker factor.

Another nasty hazard is the edge trap. When paving is being done one lane can be as much as 1 1/2 inches higher than the other with no tapering. This is a significant difference, especially when you are on two wheels. It can literally snatch the handlebars from your hands. You need to avoid these if

at all possible. If you have to cross one attack it as close to a 90 degree angle as possible to prevent your tires from sliding along the edge.

The main objective in construction zones is to remain very alert for all the possible hazards and be prepared to react quickly and safely. You want to do all you can to maintain a larger than normal buffer zone around you.

Ride smart....ride safe

. Hi All:

Orange barrel season is fast upon us. It seems to coincide quite well with our precious riding season. We riders need to be especially cautious in these construction zones.

Hi Everyone:

Five months of this year is already history with very few motorcycle miles for some of us – especially us. May was unusually cold and wet. Hopefully, the weather won't turn really hot and unbearable.

June's meeting is really early (Sunday, June 8th) due to the **Buckeye Rally Event** – a lot of Chapter B Members are planning to attend.

- **OHIO BUCKEYE RALLY – Marietta, Oh. June, 13-15TH.** This is a fantastic rally. Great area to go riding . If you plan to attend, make sure you get those pre-registrations mailed.
- **WING DING – Greenville, NC. July 3-5.** Another wonderful area to ride our bikes.
- **MICHIGAN DISTRICT RALLY – July 18-19.**
- **REGION D RALLY – Tiffin, OH – August 21-23**
- **1ST ANNUAL – 1ST Lieutenant Aaron Seesan Memorial Scholarship Charity Ride. Sunday August 24th.** Hosted by Ohio Chapter I. Below is a picture of Paul Schrock and Ron Schied holding trophies they received, for their bikes, at “**The Third Annual Jubilee Meet**” held at the Circle T Arena on Taylortown Road in Shelby, Ohio. The event was held in memory of Glenn”Bone” Phillips to benefit his son, Jesse. **Congratulations Paul and Ron. We are proud. Our members never cease to amaze us!**

Paul Schrock and Ron Schied display the trophies they earned for their fine rides at this year's bike show, Schrock's second for his three-wheeler and Schied's second for his Dresser.

I'm really starting to believe we are recycled teenagers. Below is a picture of Dolly Wolfersberger's newly acquired tattoo. Not bad! YOU GO GIRL!!

Love you All!!

**See you at the Meeting!
Jim & Carol**

REMEMBER: Get those registrations in for Buckeye Rally in Marietta. Great Time: Below is a picture of some of our group at the show at Buckeye Rally 2007.

Well, they were waiting for the show to begin. We did have a great time.

**TREASURE'S
GLENN & GALE**

Hi All You Wingers!

First of all we want to give a great big **THANKS** to **Chuck Miller** for volunteering his valuable time to be the Auctioneer at our Annual Chapter B Auction. He always does a wonderful job.

Well we have been outdoing ourselves in the cash flow department. With everyone's wonderful "**junk to treasure**" the auction last month raised our bank account over **\$1800.00** dollars. Although, looking through the items on the tables, there were way too many new items and not enough 'used' -- now how are we supposed to know if the stuff really was any good or just taking up space! **OHHH** that's what it's all about! **Just kidding** with you, we had some really nice items out there and they all found new homes. Thanks to everyone who brought and bought.

Hope everyone enjoys the Buckeye Rally that's fast approaching and hope you all have your Wing

Ding reservations made, that's just around the corner.

Our next main event coming up is the **Midnight Fun Run**, plus we also have some great rides all mixed in there too, so keep your calendars filled in with all the great dates. Looks like we will be having a fun filled summer planned.

**Geez, I just love it here in the summer!!!!
